

NUTRITIONAL APPROACHES TO HEALTH SATURDAY, APRIL 29, 2017

THIS IS AN OPEN MEETING for ALL those interested in Natural Approaches to Health

Four Points by Sheraton 4700 South Laburnum Ave., Henrico, Virginia 23231 T: 804-226-6516

Invite a Health Professional for a Lecture & Lunch with Dr. Bruce Daggy, 12:30 – 2:00 pm

Dr. Bruce Daggy, a Nutritional Biochemist & proponent of the effective use of nutrition & lifestyle into medical practice, will deliver a lunch lecture to an audience of healthcare professionals and those interested in nutritional approaches to health. On the topic “Why ‘Eating Right’ Is Necessary BUT Not Sufficient; The Role of Nutritional Supplements in Healthcare”. Bruce Daggy serves as Senior Vice President, Research & Development and Chief Science Officer for Shaklee Corporation.

His career spans 30 years in global roles within Consumer Healthcare with P&G, GlaxoSmithKline, Nutrisystem and Shaklee. Dr. Daggy has a Ph.D. in Nutritional Biochemistry from Cornell University and a B.A. in Biology from University of Virginia. He has authored about 90 publications and abstracts and 13 patents. He serves as Adjunct Professor in the Nutrition, Food, and Exercise Sciences Department of Florida State University. He is a member of the American Society for Nutrition, a Fellow in the American College of Nutrition, and has assisted the Obesity Society, the American Diabetes Association and other healthcare organizations in a variety of volunteer capacities. Come join us for an interesting session on increasing service to your patients or clients via nutritional approach to good health.

General Area Meeting: 2:30 – 5:00 pm

This afternoon General Area Meeting is especially for people who are looking for information on how to implement natural approaches to Health for their clients/patients using natural foods and natural supplementation. There will also be Nutritional Testimonies & more. Additional Guest Speaker Annette Reeder Shaklee Executive Coordinator – Author of Healthy Treasures Cookbook, Treasures of Healthy Living & Treasures of Healthy Living Manual.
