

6th ANNUAL "Shaklee Hattitude" April 28th

A FUN CHAMPAGNE BRUNCH!!

- **Live Younger Longer** - Womens' Health & Wellness
- **Look Younger Longer** - Contouring for Day and Evening
- **Love Your Life** – Be part of a fun community

SPECIAL GUEST SPEAKER: James Brooks, PhD, CFS, is Shaklee's Executive Vice President of Research & Development. Jim leads the effort to bring breakthrough products that embody the Shaklee difference to our Shaklee family around the world. Dr. Brooks has over 30 years of industry experience in the field of nutrition and food science. Jim received his bachelor of science from Ohio State University, a master of science from Clemson University, and his PhD in Plant Physiology from Clemson University. Jim serves as an adjunct professor at Clemson University, and has been a member of numerous Advisory Boards and committees including the expert committees relating to dietary supplements for U.S. Pharmacopeia and the Senior Science Advisory Council for the Council for Responsible Nutrition. He is the author of twenty-four peer-reviewed publications, twenty-nine abstracts, twenty-six invited presentations, and two issued patents.
